EXPLANATORY NOTE:

- Item 1 of the Agenda – Directors' Report, Audited Financial Statements and the Auditors' Report for the financial year ended 31 October 2021**
The Audited Financial Statements under this agenda item is meant for discussion only as the provision of Sections 243 and 340(1)(a) of the Companies Act 2016 does not require a formal approval of the shareholders and hence this item is not put forward for voting.
- Items 2 & 3 of the Agenda – Directors' Fees and Benefits**
Section 230(1) of the Companies Act 2016 provides amongst others, that "the fees" of the directors and "any benefits" payable to the directors of a listed company and its subsidiaries shall be approved at a general meeting. In this respect, the Board agree that the shareholders' approval shall be sought at the Seventeenth Annual General Meeting ("17th AGM") on the Directors' remuneration in two (2) separate resolutions as below:
 - Resolution 1 on payment of Directors' fees for the financial year ended 31 October 2021; and
 - Resolution 2 on payment of Directors' benefits for the financial period from 1 April 2022 until 31 March 2023 ("Relevant Period")The payment of the Directors' fees for the financial year ended 31 October 2021 will only be made if the proposed Resolution 1 has been passed at the 17th AGM pursuant to Clause 105 of the Company's Constitution and Section 230(1) of the Companies Act 2016.
The estimated total amount of the Directors' benefits for the Relevant Period comprises of meeting allowance payable to the Non-Executive Directors which only be accorded based on actual attendance of meetings by the Non-Executive Directors.
In determining the estimated total amount of the Directors' benefits, the Board considered various factors including the number of scheduled meetings for the Board and Board Committee as well as number of Directors involved in these meetings, which include the additional Non-Executive Directors to be appointed to the Board to align with the Malaysian Code on Corporate Governance and Listing Requirements.
- Item 6 of the Agenda – Authority to Issue and Allot Shares**
The Company has at its last Annual General Meeting, obtained a general mandate pursuant to Sections 75 and 76 of the Companies Act 2016 from its shareholders, to empower the Directors to issue and allot shares in the Company to such persons, at any time, and upon such terms and conditions and for such purposes as the Directors may, in their absolute discretion, deem fit, provided that the aggregate number of shares to be issued does not exceed 20% of the total number of issued share of the Company (excluding treasury shares) at any point of time ("20% General Mandate") by 31 December 2021. Effective from 1 January 2022, the 20% General Mandate will be reinstated back to a 10% limit according to Rule 6.01(1) of the ACE Market Listing Requirements ("10% General Mandate").
As the 20% General Mandate will expire at the conclusion of this Annual General Meeting. The previous 20% General Mandate was not utilised and accordingly no proceed was raised.
This part of Bursa Securities' continuous support to listed corporation in these trying and challenging times amid the covid-19 pandemic, Bursa Securities has via its letter dated 23 December 2021 extended the 20% General Mandate up to 31 December 2022.
The Board would like to procure approval for the 20% General Mandate from its shareholders at the 17th AGM of the Company.
The purpose to seek the 20% General Mandate is to enable the Directors of the Company to issue and allot shares at any time to such persons in their absolute discretion without convening a general meeting and hence both all-in and cost-consuming to organise a general meeting merely for such purpose. The 20% General Mandate will provide flexibility to the Company for any possible fund-raising activities, including but not limited to further placement of shares, for purpose of funding its business plans, current and/or future investment project(s), working capital, repayment of borrowings and/or acquisitions.
The 20% General Mandate may be utilised by the Company to issue and allot new ordinary shares until 31 December 2022 and thereafter, the 10% General Mandate will be reinstated. This authorisation will expire at the conclusion of next Annual General Meeting of the Company.
After having considered all aspects of the 20% General Mandate, the Board is of the opinion that the adoption of the 20% General Mandate would be in the best interest of the Company and its shareholders, on the following basis:
 - The interest of the Company as well as its long-term shareholders should be in congruence on the issue of long-term sustainability of the Company as only a business operation with healthy and sufficient working capital could generate positive returns to the Company and its shareholders.
 - Given the outbreak of the COVID-19 pandemic and the subsequent imposition of the Movement Control Order (MCO) or Pelan Pemulihan Negara (PPN) by the Malaysian Government to contain the COVID-19, the economy of the Country has been severely affected. The additional fund-raising flexibility through the 20% General Mandate will enable the Company, should it required to do so, to meet its funding requirements for working capital and operational expenditure, expeditiously and efficiently, without burdening the shareholders with a separate general meeting during this challenging period.
- Item 7 of the Agenda – Proposed Renewal of Authority to Purchase of Own Shares by the Company**
The proposed resolution, if passed, will allow the Company to purchase its own shares up to 10% of its total number of issued shares of the Company by utilising the funds allocated which shall not exceed the retained profits of the Company.
For further information, please refer to the Share Buy-Back Statement dated 28 February 2022.
- Items 8 and 9 of the Agenda – Continuation in Office as Independent Non-Executive Directors**
The Board has assessed the independence of Vincent Loh and Wang Choon Seang, who have served as Independent Non-Executive Directors of the Company for a cumulative term of more than nine years, and recommended them to continue act as an Independent Non-Executive Directors of the Company based on the following justifications:
 - they fulfilled the criteria under the definition of Independent Director as stated in the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad, and thus, they would be able to bring an element of objectivity to the Board;
 - they have been with the Company for more than 9 years and were familiar with the Company's business operations;
 - they have vast and diverse range of experiences and therefore would be able to provide constructive opinion, independent judgment and to act in the best interest of the Company and shareholders;
 - they have devoted sufficient time and attention to their professional obligations for informed and balanced decision making; and
 - they have continued to exercise their due care during their tenure as Independent Non-Executive Directors of the Company and have carried out their professional duties in the interest of the Company and shareholders.The Board considered Vincent Loh and Wang Choon Seang to be independent based on the above justifications and recommended them to be retained as Independent Non-Executive Directors of the Company.
